

## Phoenix Food & Drug Group

The primary objective of our group is to encourage and facilitate involvement, participation and fellowship. To achieve our objective, we schedule a number of events throughout the year including an event in March (tbd), "Golf Tournament", "Baseball Game" and "Christmas Lunch & Bursaries Presentation".

The key Fund-Raising event was our "Bursary Brunch & Silent Auction" but we're now changing to an online 50-50 Raffle promotion. Monies generated from this event go toward helping fund our Bursary program which assists Grandchildren of Members with their post-secondary school costs. We also contribute to the Food Executives Club of Vancouver. "Bursary Fund" as well as donate to the BC Children's Hospital Foundation. Since 1994 over \$500,000 has been awarded to qualifying students and various Charity Organizations.

Membership in PFDG requires the applicant to be 50 years of age and older, actively employed or retired having worked in the food, food service or drug industry in the past.
