

Phoenix Food & Drug Group

The primary objective of our group is to encourage and facilitate involvement, participation and fellowship. To achieve our objective, we schedule a number of events throughout the year including a "Giants Hockey Game", "Golf Tournament", "Baseball Game" and "Christmas & Bursaries Presentation Lunch".

Our key Fund-Raising events are our 50-50 Raffle promotions. Monies generated go toward helping our Bursary program which assists Grandchildren of Members with their post-secondary school costs. We also contribute to the Food Executives Club of Vancouver Bursary Fund as well as donate to the BC Children's Hospital Foundation. Since 1994 over \$500,000 has been awarded to qualifying students and various Charity Organizations.

Membership in PFDG is open to applicants with minimum 55 years of age, actively employed or retired from the food or drug industry. Effective on January 01, 2025 any PFDG member in good standing may sponsor new members that have not worked in the Food & Drug Industry. Please note, those new members are excluded from participating the PFDG Bursary Program.
